*Recalling* the 2005 World Summit Outcome,[5]

*Welcoming* the decision taken by the Commission on Sustainable Development at its thirteenth session[6] to devote one day of its review sessions to the review of the implementation of the Mauritius Strategy for Implementation, focusing on that year's thematic cluster, as well as on any new developments in the sustainable development efforts of small island developing States using existing modalities, and to request the Secretary-General to submit a report to the Commission at its review session on progress in and obstacles to sustainable development in small island developing States, including recommendations to enhance the implementation of the Mauritius Strategy for Implementation,

*Recognizing* the urgent need for increased financial and technical resources for the effective implementation of the Mauritius Strategy for Implementation,

1. *Takes note* of the report of the Secretary-General;[7]

2. *Welcomes* the renewed commitment of the international community to the implementation of the Programme of Action for the Sustainable Development of Small Island Developing States;[2]

3. *Urges* Governments and all relevant international and regional organizations, United Nations funds, programmes, specialized agencies and regional commissions, international financial institutions and the Global Environment Facility, as well as other intergovernmental organizations and major groups, to take timely action for the effective implementation of and follow-up to the Mauritius Declaration[3] and the Mauritius Strategy for Implementation,[4] including the further development and operationalization of concrete projects and programmes;

4. *Calls for* the full and effective implementation of the commitments, programmes and targets adopted at the International Meeting to Review the Implementation of the Programme of Action for the Sustainable Development of Small Island Developing States and, to this end, for the fulfilment of the provisions for the means of implementation, as contained in the Mauritius Strategy for Implementation, and encourages small island developing States and their development partners to continue to consult widely in order to develop further concrete projects and programmes for the implementation of the Mauritius Strategy for Implementation;

5. *Encourages* the implementation of partnership initiatives, within the framework of the Mauritius Strategy for Implementation, in support of the sustainable development of small island developing States;

6. *Urges* the Secretary-General to ensure that the Small Island Developing States Unit of the Department of Economic and Social Affairs is sufficiently and sustainably staffed to undertake its broad range of mandated functions with a view to ensuring the full and effective implementation of the Mauritius Strategy for Implementation;

[5] See resolution 60/1.

[6] See *Official Records of the Economic and Social Council, 2005, Supplement No. 9* (E/2005/29), resolution 13/1.

[7] A/61/277.

7. *Calls for* the provision of new and additional resources for the revitalization of the Small Island Developing States Information Network;

8. *Requests* the relevant agencies of the United Nations system, within their respective mandates, to mainstream the Mauritius Strategy for Implementation in their work programmes and to establish a focal point for matters related to small island developing States within their respective secretariats;

9. *Requests* the Secretary-General to submit a report to the General Assembly at its sixty-second session on the follow-up to and implementation of the Mauritius Strategy for Implementation;

10. *Decides* to include in the provisional agenda of its sixty-second session, under the item entitled "Sustainable development", the sub-item entitled "Follow-up to and implementation of the Mauritius Strategy for the Further Implementation of the Programme of Action for the Sustainable Development of Small Island Developing States".
